

COMPREHENSIVE HEALTH INSURANCE PLAN

Human Services

FY14 Headcount: Unknown

<http://www.chip.state.il.us/default.htm>

Summary of Agency Operations

The Comprehensive Health Insurance Plan (CHIP) provides health insurance coverage for Illinois residents through two coverage pools. The traditional pool, for medically uninsurable people, is funded by premiums and state general funds. People eligible for portability of coverage pursuant to the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) are covered through the HIPAA pool, funded by premiums, insurance industry assessments and federal grant funds.

Internal Hiring

Agency positions subject to criminal history restrictions, by statute, regulation or agency policy

None

System of personnel administration

Comprehensive Health Insurance Plan Act 215 ILCS 105/4

i. [The Board shall] employ and fix the compensation of employees. Such employees may be paid on a warrant issued by the State Treasurer pursuant to a payroll voucher certified by the Board and drawn by the Comptroller against appropriations or trust funds held by the State Treasurer.
