Dear Mr. Shuck and Mr. Cutrone:

The following information is in response to a request dated January 11, 2012, regarding The Task Force on Inventorying Employment Restrictions Act (20 ILCS 5000) which requires State agencies to submit a report describing any restrictions for employment.

This Act also requires State agencies to submit a second report on the number of applicants who underwent criminal background checks, the number of applicants who were deemed disqualified, the number who sought waiver, and the number who were denied waiver from the past two years.

For our Agency, all attorneys must be licensed to practice law in Illinois and be in good standing with the Illinois Attorney Registration and Disciplinary Commission.

All Agency employees also must be in full compliance with the Department of Homeland Security by verifying employment eligibility through Form I-9.

There are no criminal records-based restrictions for our employees.

Please let me know if you have any questions or need any additional information.

Very truly yours,

  
Patrick J. Delfino  
Director
