## MEMORANDUM

To: Jack Cutrone, Executive Director, Illinois Criminal Justice Authority  
Jeff Schuck, Deputy General Counsel, Central Management Services

From: Lola Dada-Olley, Deputy General Counsel, Workers' Compensation Commission

Date: January 31, 2012

Re: Task Force on Inventorying Employment Restrictions Act

---

This is in response to a letter sent to the Commission from the Illinois Criminal Justice Information Authority, dated January 11, 2012, seeking a report on employment data in accordance with the Task Force on Inventorying Employment Restrictions Act ("Act").

The Act requires that the Commission submit a report describing restrictions for employment within the agency. There are no Commission specific employment restriction policies based on past criminal history for anyone in the department.

From January 1, 2010 until January 5, 2012, eighty one people have become Commission employees and have had criminal background checks conducted on them. None were disqualified, sought waiver or denied waiver. A spreadsheet listing these individuals is enclosed.

Please let us know if you have any further questions or if you need any more information from us. Thank you very much for your time.

Respectfully,

A handwritten signature in blue ink, appearing to read "Lola Dada-Olley".

Lola Dada-Olley  
Deputy General Counsel
