On November 8, 2011, a letter was sent to you via e-mail detailing The Task Force on Inventorying Employment Restrictions Act (20 ILCS 5000). The Act requires state agencies to submit a report describing restrictions for employment within the agency, in facilities licensed, regulated, supervised, or funded by the agency, and in occupations that the agency licenses or provides certifications to practice.

To date, your agency has not submitted a report. Your immediate cooperation in this matter would be greatly appreciated. Please e-mail your report to **CJA.EmplRestrictions@Illinois.gov**.

As another requirement of the Act, all state agencies are to submit a second report on the number of actual applicants who underwent criminal background checks, the number of applicants who were deemed disqualified, the number who sought waiver, and the number who were denied waiver. These figures should be collected for the past two years. **This second report is due Feb. 1, 2012, and may be submitted to the same email address: CJA.EmplRestrictions@Illinois.gov.**

The Task Force on Inventorying Employment Restrictions Act details the specific information to be reported by each agency. If you have any other questions regarding this reporting responsibility, please contact Authority Research Analyst Idetta Phillips at (312) 793-8515.

The Task Force, with the assistance of Authority staff, will collate the state agency responses and its own recommendation into a final report due to the Governor and General Assembly Sept. 1, 2012. Information on Task Force meetings will be posted on the Authority's website at www.icjia.state.il.us.

Thank you for your cooperation in the work of this Task Force.

Sincerely,

Jeffrey A. Shuck
